

What can you find out about the following creatures that live in most Irish gardens? Use the pictures to help you make a minibeast factsheet. Where do these creatures live, what do they eat, and what other facts can you tell me?

You can make a factsheet about one minibeast or lots if you like!

They are, in order from the top left; woodlouse, wasp, spider, slug, ladybird, fly, earwig, centipede, worm, dragonfly, crane fly, beetle, butterfly, bee, ant and snail.
